Mother's Day Ideas in Delavan

Let the Spoiling of Mom Begin

Delavan, WI (April 26, 2017) – Mom's special day is just about here, and Delavan has some fun things to offer to help show how much we appreciate her for Mother's Day.

Staller Estate Winery is hosting a Mother's Day Inspired Wine & Dine on Saturday, May 7, from 12-2pm. The chef of The Black Sheep of Whitewater will prepare a five course menu, excellently paired with Staller Estate Wines. It's the perfect way to tempt Mom to a meal away from the kitchen!

Bring Mom to Rosewood for brunch and a show on Sunday, May 14. Rosewood is offering fresh, farm-to-table cuisine, with reserved seating at 11:30am and 1pm, followed by a musical cabaret performance at 2pm. Their "Legends" show features music by Elvis Presley, Barbara Streisand, Diana Ross, Frank Sinatra, and others! With an unlimited Bloody Mary and Mimosa Bar, you can't go wrong with treating Mom at Rosewood!

Mom is great, so instead of a day, spoil her for an entire weekend with Lake Lawn Resort's Mother's Day Getaway! The Getaway (based on two adults and two children) includes a two night stay, Mother's Day Brunch and a \$50 resort credit to be used at any Lake Lawn Resort outlet. The Mother's Day buffet at the Frontier Restaurant, on Sunday, May 14 from 9:30am-3pm, will feature tempting culinary choices sure to please the entire family. Mom will even receive a fresh cut flower, as well as entry into a special Mother's Day Drawing where she can win a fabulous pampering in the Calladora Spa.

Delavan is here to help spoil Mom, so make this Mother's Day one she is sure to remember!
